

Membership Privileges and Responsibilities Copper Basin YMCA

Copper Basin Village Property Owners

A Copper Basin Village property OWNER is eligible for complimentary Aquatics membership with the Copper Basin YMCA.

An Aquatics membership entitles the member to utilize ONLY the pool and spa.

The Guest policy of Copper Basin Village applies to property owners and is:

"Members can bring in individual guests for up to three (3) times per calendar year, one guest at a time. Guests must come in with the member, and the member is responsible for the conduct of their guest. Guests may be restricted during the peak hours. All guests must sign the Guest Register book, and guests under 18 must have a parent or legal guardian sign the waiver. Members are 18 and older may bring in a youth as a guest for a fee of \$10.00 per visit (increasing to \$20 per visit January 1st, 2012)"

"RENTERS" of Copper Basin Village properties must provide written confirmation from the property owner to the Copper Basin YMCA Membership office, which clearly states they have permission to utilize the Owner's complimentary Aquatics membership.

IF an owner of a Copper Basin Village property would like their guests to enjoy the Aquatics membership without the property owner present, the property owner must provide the Copper Basin YMCA with written details of their guest names, birthdates and the time periods that their guests may utilize the Aquatics area a minimum of 48 hours in advance (maximum 3 months within 1 calendar year).

All Renters and Guests of Copper Basin Village property owners are subject to the Member privileges and responsibilities.
